

## **Mahindra Electric, India's number one electric 3-wheeler company, crosses 400 Million e-kilometre**

More than 40 000 metric tonne of CO<sub>2</sub> have been saved thus far, which will otherwise have needed more than 18.5 lakh trees to be planted

Mahindra Electric Mobility Limited is proud to announce that its zero-emission electric vehicles have crossed a landmark 400 Million+ kilometre. The **400 Million+ milestone came up in rapid succession in just 3 years, 2 months** after the first 100 Million, confirming India's readiness to adopt electric mobility. This translates to a net savings of 40,000 metric tonne of CO<sub>2</sub> emissions – equivalent to planting a whopping 18.5 Lakh trees, required to absorb the emissions. Mahindra Electric is proud to be **India's number one electric 3-wheeler company** that is driving this electrifying change and is committed to provide sustainable, pollution-free last mile mobility solutions.
